

Safety Data Sheet

in accordance with ДСТУ ГОСТ 30333:2009 and Regulation (EC) No 1907/2006 (REACH)

Trade name: **Nanofarb On Standart Prime**

Revision: **1.0.0**

Revised: **10.09.2026**

Print date: **10.09.2026**

1. Identification of the substance/mixture and of the manufacturer

1.1 Product name

Nanofarb On Standart Prime

1.2 Relevant identified use

Ready-to-use deep-penetrating acrylic primer. Strengthens mineral surfaces, reduces and equalises their water absorption, removes dust before finishing works. For interior and exterior use.

No uses advised against are known.

1.3 Supplier of the safety data sheet

Manufacturer/Supplier:	Nanofarb LLC
Address:	Novomoskovskaya road 9
Country/city:	65031 Odessa, Ukraine
Phone:	+38 (095) 788-77-99
Contact:	www.nanofarb.ua, nano-farb@ukr.net

2. Hazards identification

2.1 Classification of the substance or mixture

Regulation (EC) No 1272/2008 (GHS): Skin Sens. — skin irritation (possible).

2.2 Label elements

EUH208 — Contains 1,2-benzisothiazol-3(2H)-one; reaction mixture of 5-chloro-2-methyl-4-isothiazolin-3-one and 2-methyl-2H-isothiazol-3-one (3:1). May cause an allergic reaction.

3. Composition/information on ingredients

Composition: Water, aqueous acrylic copolymer. Contains 1,2-benzisothiazol-3(2H)-one (CAS 2634-33-5) and a reaction mixture of 5-chloro-2-methyl-4-isothiazolin-3-one and 2-methyl-2H-isothiazol-3-one (3:1) (CAS 55965-84-9) — may cause an allergic skin reaction (EUH208).

Hazardous components: 1,2-benzisothiazol-3(2H)-one (CAS 2634-33-5); reaction mixture of 5-chloro-2-methyl-4-isothiazolin-3-one and 2-methyl-2H-isothiazol-3-one (3:1) (CAS 55965-84-9).

4. First aid measures

General measures: In case of allergy symptoms, especially in the respiratory tract, seek medical attention immediately.

After inhalation: Move the person to fresh air.

After skin contact: Wash with soap and water, rinse.

After eye contact: Rinse immediately with plenty of water for 10-15 minutes. See a doctor if irritation persists.

After ingestion: Rinse mouth. Do NOT induce vomiting. Seek medical attention.

5. Firefighting measures

Extinguishing media: Not flammable under normal conditions.

Fire hazard: Non-flammable. **Explosion hazard:** The product is not explosive.

6. Accidental release measures

Avoid splashing and allowing the product into drains. Contain spillage with a suitable absorbent, dispose of in accordance with waste legislation.

7. Handling and storage

Store in the manufacturer's tightly closed original container. 24 months at a temperature of +5 to +35°C. Protect from freezing.

8. Exposure controls/personal protection

Observe general hygiene measures when handling chemicals. Avoid inhaling vapours. Use protective gloves and eye protection for prolonged contact.

9. Physical and chemical properties

Form:	Liquid.
Colour:	Milky white (dry film is transparent)
Density:	1.01 ± 0.01 g/ml
VOC content:	max. 10 g/l

10. Stability and reactivity

No hazardous reactions are known under normal conditions of use. Avoid direct sunlight and storage outside the permissible temperature range.

11. Toxicological information

EUH208 — Contains 1,2-benzisothiazol-3(2H)-one; reaction mixture of 5-chloro-2-methyl-4-isothiazolin-3-one and 2-methyl-2H-isothiazol-3-one (3:1). May cause an allergic reaction. No other toxicological data is available.

13. Disposal considerations

Dispose of in accordance with local/national regulations. Uncleaned packaging should be disposed of in the same way as the substance itself.

14. Transport information

Not regulated for transport. The product is not classified as dangerous goods for domestic/international transport by road, sea, or air.

15. Regulatory information

Labelling in accordance with Regulation (EC) No 1272/2008 (CLP): EUH208 — Contains 1,2-benzisothiazol-3(2H)-one; reaction mixture of 5-chloro-2-methyl-4-isothiazolin-3-one and 2-methyl-2H-isothiazol-3-one (3:1). May cause an allergic reaction.

16. Other information

Data sources: Manufacturer data published at www.nanofarb.ua; ДСТУ ГОСТ 30333:2009; Regulation (EC) No 1272/2008.
